FATTO IN ITALIA

The image features two Vespa watches. The top watch has a dial with a complex, organic pattern in shades of yellow and orange, with dark brown outlines. The bottom watch has a similar pattern in shades of blue and teal, also with dark brown outlines. Both watches have a light-colored, possibly wood-grain, case and simple, minimalist hands.

Artigianalità,
Maestria,
Creatività,
sono i nostri
punti di forza.
Sono il
Made in Italy.
